PLEASE NOTE:

Freestanding rig prices are based on a grass rig (where we can secure the tent with pegs) in an accessible area.

Additional charges will be incurred when setting up on alternative surfaces that may require weighting or bolting, or when the site is difficult to access.

Canopy rigs require consultation and/or a site visit to determine the final price.

These prices are based on a three-day hire and include delivery and collection within 20 Km of Tauranga CBD.

Please ask for delivery and collection charges to your location.

Seating capacities are a guideline and you may be able to fit more or less, depending on your desired setup.
